

Except the Lord build the house, they labor in vain that build it: except the Lord keep the city, the watchman waketh but in vain. Psalm 127:1

This Sacred, Cultural, Humanistic Heaven;

This revered dwelling has been reserved by GOD for use by MIDDLE ATLANTIC REGIONAL GOSPEL MINISTRIES;

This sacrificial, Historical former estate of the late Bishop Samuel Kelsey; that we have named:

**(MIDDLE ATLANTIC REGIONAL
GOSPEL MINISTRIES;
INTERNATIONAL
HEADQUARTERS)**

This foundational mission place, designed as a seeming destiny for management by the mission-minded Dr. E. Myron Noble, Founder; his sister, Elder Shiren Noble and other organizationally-guided men and women, who were hand-picked by God to dignify a meeting place for use by spiritual and business efforts as God purposes;

This historical meeting place:

This Modern day earthly "TABERNACLE" is not just a house, nor is it a hotel.

Hours of meaningful planning, labor, and financial treasure have impacted the hearts, minds, and actions of Kingdom Builders of these pre-millennial days; to improve, restructure, refine, beautify, and dignify for worship unto a benevolent public, fit for honor to God.

There is a standard that there must be warmth and welcome which shall be maintained physically, spiritually, and financially by ALL who should feel privileged to use it for the Glory of GOD.

**GOD IS A GOD OF ORDER,
CLEANLINESS, AND RESPECT!**

Most certainly, those, who see fit to reside, meet, function within, and even feast here, must come, proudly thinking of themselves as PARTNERS in the maintenance, growth, and improvement of the standards of this edifice, to the level of reserving it for cultural, and humanitarian functions that we may consider as offering: "*A MONUMENT TO GOD*"!

It is not unusual that the public will see fit to do everything in its power and consideration to assist the founders, financially, by submitting free-will contributions, sacrificial offerings, gifts, and enhancements whether they made individual use of it or not; as they will have enjoyed eating, sleeping, and relaxing; or were merely passing through

the building as a tourist in the wholesome atmosphere of such a facility of God's Holiness and Blessedness.

**WE WELCOME YOU TO
SHARE IN THE USE,
COMFORT, AND ESPECIALLY
THE CARE, CLEANLINESS,
UPKEEP AND RESPECT OF
THIS SACRED BUILDING;
FOR THE FULLEST GLORY
OF GOD.**
