What Is It?

Middle Atlantic Regional Gospel Ministries, Inc. (MARGM) is a Christian-faith ministry dedicated to proclaiming the gospel of Jesus Christ and ...

- to converting people to Him through evangelism;
- to helping equip believers in several ministry components through the Word teaching ministry;
- to raising churches' awareness towards developing in-house ministries for outreach services through workshops, seminars and literature.

Who Founded It?

This facet of ministry was founded by Jesus Christ who committed its stewardship in 1987 to Elder E. Myron Noble. Since 1968, Elder Noble has led and participated in ministry in Germany, the Netherlands, West Africa, East Africa, the Bahamas, India and throughout the United States.
